“Displaying a *‘very good understanding’* of corporate IP matters and soft IP litigation, the intellectual property practice at **A. & K. Metaxopoulos & Partners Law Firm** routinely represents Greek and foreign corporations. The firm has multiple specialists to handle the registration, protection and defence of trade marks and patents in Greek and EU courts, and its expertise spans across the software, music and film industries. Based in Athens, **Irini Daroussou** and **Kriton Metaxopoulos**  co-head the team, specialising in corporate fraud prosecution, copyright law and unfair competition issues. **Marilena Nikolaraki** is an expert in trade mark infringement, and **Elena Nikolarea** focuses on media law.”

“Demonstrating broad strength across the advertising, media and publishing fields, the **A. & K. Metaxopoulos & Partners Law Firm** TMT practice is well equipped to handle complex IP and privacy law matters. With an offering covering both litigation and advisory services, the team specialises in dealing with copyright infringement claims, data protection issues and non-disclosure agreements, among other areas. Based out of Athens, **Kriton Metaxopoulos**  and **Asterios Syssilas** jointly lead the team, bringing vast experience in multinational litigation proceedings and unfair competition law issues to the firm. **Irini Daroussou** is an anti-piracy and industrial law expert, while **Elena Nikolarea** focuses on e-commerce and civil law matters.”

“Characterised by extensive expertise in the fields of IP, TMT, and white-collar crime, **A. & K. Metaxopoulos & Partners Law Firm** routinely defends international companies and top executives in corporate fraud, financial crime, and civil litigation proceedings. Demonstrating a growing presence in the pharmaceuticals, energy, and travel sectors, Athens-based practice heads **Kriton Metaxopoulos**  and **Irini Daroussou** bring vast experience in handling multi-jurisdictional cases relating to commercial and industrial law to the group. **Asterios Syssilas** is an expert in copyright cases, whilst **Marilena Nikolaraki** focuses on patent and design-related disputes.”

“Demonstrating substantial strength in defending companies and top executives in cases linked to corporate frauds, financial crime, and civil law litigation, **A. & K. Metaxopoulos & Partners Law Firm** has a team of white-collar crime specialists. Operating out of Athens, **Kriton Metaxopoulos**  is a highly experienced practitioner, primarily focusing on litigation and arbitration, **Asterios Syssilas** specialises in copyright and advertising law, and associate **Achilleas Christodoulou** is knowledgeable on tax and bankruptcy proceeding.”

“Representing Greek and international clients in complex, cross-border commercial matters and corporate restructurings, the *‘very responsive and detail-oriented’* team at **A. & K. Metaxopoulos & Partners Law Firm** displays extensive expertise in the manufacturing, music, and insurance sectors. Operating out of Athens, **Kriton Metaxopoulos**  leads the department, routinely advising shareholders on issues related to corporate governance and mismanagement. **Achilleas Christodoulou** is experienced in handling commercial and tax law matters.”

Other Clients' Testimonials:

'The Team specialises in Intellectual Property matters and are not only focusing on the legal and theoretical aspects but also have a very good understanding of the practicalities. Using the legal position as a starting point, they completed a risk base analysis for us and delivered realistic solutions and proposals.'

'Kriton Metaxopoulos and Marilena Nikolaraki were able to explain to me the legal position, legal risks and mitigating steps with clarity, simple examples. Looking at the bigger picture they had very useful and valuable views on strategy.'

'They are well organised, reactive, skilled, experienced. They can offer a global overview of the cases, from any perspective. they can offer a variety of technical and practical solutions to each case.'

'Skilled about the law and the industry, always available, loyal, transparent, trustable.'

'Kriton Metaxopoulos's team is very capable and very fast-responding. They give straight answers where possible and well documented.'

'Kriton Metaxopoulos and Irimi Daroussou are both experts in IP and have a global knowledge of the matter. They know all court decisions and they are able to offer their advice on these matters very swiftly.'

'They are a very professional firm with knowledge on their fields.'

'Individuals are very responsive and detailed in their work.'

'Both Kriton Metaxopoulos and Achilleas Christodoulou were very helpful and supportive. They guided us through all the steps and their focus was on us as the client.'
